

Know Your Dept - Machine Learning Guide

Course: YCS 7001 | Instructor: Dr. Dharampal Singh

1. Supervised Learning: Linear Regression, Logistic Regression
2. Decision Trees, Random Forests, Support Vector Machines SVM
3. Unsupervised Learning: K-Means Clustering, PCA Dimensionality
4. Neural Networks: Perceptrons, Multi-Layer Perceptron MLP
5. Backpropagation, Activation Functions, Loss Functions
6. Introduction to Convolutional Neural Networks CNN & Transformers
